Allocated Royalties: Amounts that are payable to other royalty owners (e.g., former spouse).

Your Royalties: The difference between "Total Membership Royalties" and "Allocated Royalties."

Deductions: Amounts by which "Your Royalties" are reduced due to payments owed to non-owner third parties (e.g., child support payments), or as recoupments to outstanding balances due ASCAP.

Net Amount: Value displayed if member does not receive royalties because all amounts are payable to others as Allocations or Deductions.
