The Awards are presented by the American Society of Composers, Authors and Publishers (“ASCAP”), 1900 Broadway, New York, New York 10023.

2. GENERAL ELIGIBILITY

A. Song Eligibility

Musical compositions (“Eligible Works”) eligible for Awards consideration are those musical compositions that are in the ASCAP Repertory (as defined below), as of the date (such date being referred to herein as the “Date of Determination”) that is eight (8) weeks prior to the date of the Awards Celebration (as defined in Section 9 below), and that have at least one writer member of PRS for Music (“PRS”) in good standing has a Qualifying Interest. However, a musical composition shall not be an Eligible Work if, at any time prior to the Awards Celebration, ASCAP has received effective notice(s) from PRS (or any publisher member of ASCAP) of the intent to remove such musical composition from the ASCAP Repertory and, after giving effect to such notice, ASCAP no longer would have a licensable interest in such musical composition.

For purposes of these Rules:

- “ASCAP Repertory” is used as defined in the Compendium of ASCAP Rules and Regulations, and Policies Supplemental to the Articles of Association, which is available on ASCAP’s website.

- “Qualifying Interest” is an interest in a musical composition in the ASCAP Repertory that is licensable through ASCAP for the territory of the United States.

B. Member Eligibility

A writer (each, an “Eligible Writer”) is eligible for Awards consideration if such writer is a member of PRS for the United Kingdom and other territories (including the
United States) in good standing as of the Date of Determination in accordance with this Section 2.B. For a writer member of PRS to be in good standing, as of a given date, such member must, as of such date, be a current member in good standing within the meaning of PRS’ rules and regulations. In addition, in order for a writer to qualify as an Eligible Writer with respect to any Eligible Work as of a given date, such writer’s interest in such Eligible Work must be a Qualifying Interest as of such date.

C. Disqualification

ASCAP may, in its sole discretion, disqualify (1) any Eligible Work from Awards contention if, at any time prior to the Awards Celebration, such work no longer satisfies the eligibility criteria set forth in Section 2.A; (2) any Eligible Writer from Awards contention if, at any time prior to the Awards Celebration, the writer is no longer a member of PRS in good standing; and (3) any Eligible Writer from contention for any specific Award if, at any time prior to the Award Celebration, such PRS member no longer has a Qualifying Interest in the applicable Eligible Work as described in Section 2.B.

In addition, in the event that with respect to any Eligible Work, (1) there is a dispute in ASCAP’s records with respect to all or any portion of the interest in such Eligible Work, and (2) ASCAP has concluded that there is a reasonable basis for such dispute, then such Eligible Work is subject, in ASCAP’s sole discretion, to removal from consideration for the Awards. ASCAP encourages Participants to resolve disputes over any potentially winning Eligible Work on or before the Date of Determination.

D. Changes in Registration

In connection with a change to a work registration affecting the writer(s) of a musical composition (e.g., the inclusion of a new writer or the removal of an existing writer), a writer will be considered as having an interest in such musical composition for purposes of the Awards if the change in registration is submitted, and all paperwork substantiating such change is provided to ASCAP, on or before the Date of Determination.

6. **TOP TELEVISION SERIES / TOP BOX OFFICE FILM AWARDS**

A. **Top Television Series Awards**

Awards for Top Television Series honor Primary Composers (as defined below) for their work for television as determined based on the following methodology (collectively, the “Top Television Series Awards”):
(1) The top-rated Eligible Series (as defined below) with new episodes first airing in the United States on the ABC, CBS, NBC and Fox networks (the “Major Broadcast Networks”) during 2017 are ranked first through 30th based on their Nielsen Ratings (as defined below), from highest to lowest rating. (Each reference to a year in these Rules shall be to a calendar year unless otherwise specified herein.) All Primary Composers credited on such 30 top-rated Eligible Series on a Major Broadcast Network shall receive a Top Television Series Award for their work on such series. If two or more Eligible Series are tied for the 30th highest Nielsen Ratings, then the Primary Composer(s) credited for all such series so tied shall receive Top Television Series Awards.

(2) The top-rated Eligible Series with new episodes first airing in the United States on any General Entertainment Network (as defined below) during 2017 that had a Nielsen Rating of 0.4 or higher are considered for the Top Television Series Awards. All Primary Composers credited on an Eligible Series with the highest Nielsen Rating on each General Entertainment Network with Eligible Series in contention shall receive a Top Television Series Award for their work on such Eligible Series. If two or more series are tied for the highest Nielsen Ratings on a particular General Entertainment Network, then the Primary Composer(s) credited for all such series so tied shall receive a Top Television Series Award.

(3) The top-ranked series (and/or miniseries) (i.e., an “original” series or miniseries) with new episodes first made available in the United States on each of the Amazon, Hulu and Netflix video services (the “Video Services”) that (a) have at least one Primary Composer credited and (b) generated the highest number performance credits during the ASCAP survey year ended September 30, 2017, calculated by ASCAP in accordance with ASCAP’s Distribution Rules (as defined below). All Primary Composers credited for such top-ranked series (and/or miniseries) on each such Video Service shall receive a Top Television Series Award for their work on such series (and/or miniseries). If two or more series (and/or miniseries) are tied for the highest number of performance credits on a particular Video Service, then the Primary Composer(s) credited for all such series so tied shall receive a Top Television Series Award.

For the purposes of these Rules:

- “Eligible Series” means a television series (and/or miniseries) with new episodes first airing in the United States during 2017 that has at least one Primary Composer credited.

- A “Primary Composer” is an Eligible Writer who: (a) is credited as a composer of Theme or Underscore (as applicable) for the applicable series or miniseries or film (“Audio-Visual Work”) and such Theme or Underscore is an Eligible Work; or (b) has made a substantial contribution to the applicable Audio-Visual Work, as determined by ASCAP based on the total number of minutes composed for such Audio-Visual Work as shown by the relevant cue sheets for such Audio-Visual Work in ASCAP’s records.
• “Nielsen Ratings” are the average of the Nielsen “Household Live +7” total day ratings for 2017.

• “General Entertainment Network” means any network or cable programming service, including the CW Network and PBS, that primarily broadcasts general entertainment-related audio-visual programming (e.g., dramatic series, comedy series, specials, miniseries and made-for-TV feature films, theatrical feature films aired on television, animated television programs and films, variety programs, scripted sports, game shows, and/or reality television programs, etc.) and that is not a Major Broadcast Network.

For the purposes of these Rules, “credits” for performances are determined by ASCAP in accordance with ASCAP’s Survey and Distribution System: Rules & Policies (the “Distribution Rules”), which are available on ASCAP’s website. The factors for determining a credit include, among other things, number of performances, the type of musical cues (i.e., theme or underscore) and duration of musical cues. The terms “Theme” and “Underscore” (i.e., “Background Music”) as used herein shall have the meanings as set forth in the Distribution Rules.

For the avoidance of doubt, a television series (or miniseries) that had its first run outside of the United States would be eligible for Top Television Series Awards so long as it has satisfied all other terms and conditions set forth in this Section 6.A (including that it first aired on a U.S. network or cable programming services during 2017).
